

WHAT LIES AHEAD FOR YOU?

Mark Your Calendars

September 14, 2017 7:00 PM

At the “Lex”

The City of Lexington will host a Water and Wastewater Meeting to discuss the present and future.

The Missouri Department of Natural Resources (MDNR) representatives will be present to discuss current and future Federal and State regulatory changes for Lexington’s Water and Wastewater Systems and financing options.

Bartlett and West Engineering’s representative and Lexington Water and Wastewater Supervisor will present how Federal and State Regulatory changes will affect you.

This meeting is for you to ask questions, make comments and be informed

Jerry E. Brown, Mayor
City of Lexington, Missouri
